BRISTOL

COMMUNITY COLLEGE

About Bristol

Since its chartering in 1965, Bristol Community College has been changing the world by changing lives, learner by learner. Bristol is where people from diverse backgrounds turn to earn a degree, access work-related training and expand their cultural and intellectual horizons.

Bristol is a comprehensive community college offering more than 140 career and transfer programs of study that lead to an associate degree in science, arts and applied sciences, as well as certificates of accomplishment or achievement.

Students are able to transfer to many baccalaureate colleges throughout the state and country from any of our convenient locations in Attleboro, Fall River, New Bedford and Taunton, as well as online.

As the leading resource for education and workforce development in southeastern Massachusetts, Bristol provides programs that promote individual opportunity and the region's economic health. Our programs offer a strong foundation in liberal arts and sciences; career-ready education in

health sciences, engineering, technology and business; and comprehensive developmental education and adult literacy services delivered in a learner-centered, supportive community.

Bristol also develops active partnerships with business and industry, preK-12, colleges and universities, and t ; a7Lang (en-US)/MO
